

Nirogi Rajasthan Platform Privacy Policy

Khushi Baby built the Nirogi Rajasthan app as a free app for the Department of Medical, Health, and Family Welfare. This SERVICE is provided by the Department of Medical, Health, and Family Welfare ('The Department') at no cost and **is intended for use as is only by authorized government functionaries and/or developmental partners providing technical support.**

This page is used to inform visitors regarding the Department's policies with the collection, use, and disclosure of Personal Information if anyone decided to use this Service.

If you choose to use this Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that this application collects is used for providing and improving the Service. The Department of Medical, Health, and Family Welfare (and Khushi Baby by proxy) will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information including **name, government IDs, GPS location, health details, and photos**. The information that we request will be stored within the mobile application and sent to a secured cloud database. **We do not ask for personal information unless it is deemed necessary. We only store necessary personal information on our servers. We may use non-personal statistical information to analyze the use in our website and apps in order to improve our service; diagnose technical problems, improve UI and features, maintain security, etc. This data collected via the application is considered strictly confidential and will not be shared with others outside the Department of Health and Family Welfare or Technical Support Provider unless required to comply with the law.**

The app does use third party services that may collect information used to identify you.

Log Data

We want to inform you that whenever you use [my/our] Service, in a case of an error in the app [I/We] collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app, GPS location, and device IMEI number, when utilizing this Service, the time and date of your use of the Service, and other statistics.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
